

Flight Instructing in South Florida

This seminar is designed to examine and enhance the quality of flight instruction in the South Florida area. We will accomplish this by exploring recent incidents involving flight instruction and discussing options available to mitigate known risks.

Directions: From I-95 take exit 33B, Cypress Creek Rd. and travel west. Turn left on to 21st Ave. This will end at the FXE Airport Management office.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
